### Description

#### *Why Choose Party Tent?*

##### 1. Stunning look & feel

Good tents make great parties. Party tent with its fancy, modern and snappy design is more and more favored by people, especially young people. With its specialized structure, party tent can be created into different shapes, such as A framework Tents, Pole Tent, Dome Tent, Multi-side Tent. Matched with the proper decor and lighting, it really impresses every attendee.

##### 2. More open spacious area at more economic prices

Because of its clear span structure, the interior of party tent can be fully utilized, providing more open space for many creative and interesting activities but at lower price compared with traditional big hotels.

##### 3. Prefabricated structure

The party tent is prefabricated, easy to assemble and transport. And the length and width can be flexibly adjusted according to the actual area of the site, whether it is a small private party or a large theme party, the party tent all can be tailored to need the requirements.

##### 4. Green party: take care of our planet

Party tent is simple to disassemble and reusable and the whole engineering process causes much less impacting and pollution, best way for people to enjoy the fun of party without the torture of committing the guilty of damaging our communities.
