Spending an extraordinary night camp under the Northern Lights, living in the Camping with Dome Pods is a unique way to experience nature. The luxury, cozy and warm dome house is the perfect place to enjoy the magical winter scenery of the Lake illuminated by the Northern Lights. The Aurora Dome room is a round igloo tent with a Siberian & Reindeer theme and a transparent PVC fabric wall. The dome lodge is completely insulated and the fireplace with open fireplace creates a luxurious and warm atmosphere. The transparent PVC membrane wall of the dome faces north to ensure the views of the best starry horizon and the elusive Northern Lights on the frozen lake. With simple toilets, showers and saunas are just a few steps away. The dome has two beds but it can also accommodate two extra beds.

The unique dome structure of the spherical tent, the scientific design and construction are integrated with nature. The window can be customized in the dome or in different positions to make the air convection in the tent, which saves energy and reduces the cost of use. At the same time, other ventilation

devices can be installed to achieve more functions.
